FICE OF THE PUBLICITY OFFICER TO THE GOVERNMENT OF MYSORE, PUBLIC OFFICES, BANGALORE.

Dated 18th April 1949.

Press Note.

The Cinema Theatres in the State are bound by one of the ms of their licenses to exhibit an approved Mysore National them film at the close of each cinema show. It has come the notice of Government that when the National Anthem being played, the respect due to the same has unfortunately en not shown by some of the persons visiting the theatres. There will usually be a rush to the exits, to be out of the atre as early as possible. This behaviour would amount showing disrespect to the National Anthem, although there y not be the slightest intention on the part of the ctators to do so.

66

The Government, therefore, appeal to all the cinema-going public to remain standing as a mark of respect, and not to leave their places in the auditorium, while the Mysore National Anthem film is exhibited at the close of each show. It is all the more necessary, in the present state of Independence, that all of us behave in a disciplined manner and show the respect due to National symbols like the National Flag and the National Anthem.

Notification dated 19th April 1949.

Press Note.

Government have ordered that maize, imported into Mysore, may be sold at five seers per rupee uniformly all over the State, that is at the same rate as that fixed for millets.

PART VI

PUBLIC ADVERTISEMENTS

OFFICE OF THE PUBLICITY OFFICER TO THE GOVERNMENT OF MYSORE, PUBLIC OFFICES, BANGALORE.

Dated 20th April 1949.

Press Note.

1. A news report has it that in respect of " a plea made in the preliminary reply to the States Finance Enquiry Committee, the Mysore Government are now veering round to the view that integration of the revenue and resources alike is just and inevitable ". The report proceeds on this unverified and unwarranted premise and refers to alleged discussions in the Cabinet in the matter. The report does not stop here, but professes to deal with the question of an outright merger of Mysore supposed to be favoured by a section of opinion. In the same way, hypothetical arguments and conclusions are freely indulged in about the Mysore State Railway, the Income-tax system and Railway Workshop. Disposal of Central Excises collected in Mysore and the question of control over Defence and Communications are similarly sought to be dealt with. More than all, it is stated that key posts in the Police will be filled by selection made by the Government of India. Having said all this, the report ends in a facile conclusion that Mysore will probably continue to enjoy full benefits as a result of integration. The present Ministry is also criticised that they are not definite about their plans on nation-building projects in Mysore and that the Central Government will hereafter supervise this branch of the Government's activity.

2. Government desire the public to understand that the foregoing report in every respect is entirely unfounded. It is surprising that the correspondent should have exhibited such irresponsibility in this respect. Most of the matters to which he refers above have nothing to do with the question of financial integration, the terms of which are well known. They would invite attention to their Press Note dated the 31st March 1949, a copy of which is attached hereto. Even to-day the position continues exactly to be what it was as given in the Press Note. The whole question of financial arrangements is still in the stage of negotiation and no final conclusion on any aspect has as yet been reached. The public are requested not to lend credence to such garbled or unfounded reports.

3. Attention is further invited to the recent statement of Sri Dandeker, Member of the States Finance Inquiry Committee, at Rajkot, when he said that " their recommendations would not put the States and the States Unions in a disadvantageous position or stifle their growth ".

(P. N. No. 279—20-4-1949—XX, 7,801-XX, 7,900).

10949

Dated 31st March 1949.

Press Note.

News reports have appeared that Mysore has agreed under the " Accession Scheme " to make over to the Centre, Income-tax, Telephones, Akasha Vani and the State Railways, and that a revenue of about Rs. 3 crores out of Mysore State Revenues, will be transferred to the Centre by 1950 according to decisions of Sri V. T. Krishnamachari Committee. These reports are not correct. There is however a Committee—States Finance Enquiry Committee—presided over by Sri V. T. Krishnamachari, which is now sitting and is examining the question of integration of States and Unions of States in a Federal Financial structure. The whole question is still in the stage of examination and consultation. No decision has yet been taken. This is the correct position.

Press Note.

Consequent upon the failure, during the year, of millet c in the several parts of the State the acquisition of Ragi local Jola within the State has been poor. To make up deficit in millets, the Government of India have allotted t as much as 5,10,000 pallas of millets for the current year have intimated that this allotment will be supplied in shape of milo and maize. In view of the State's deficit millets, maize has been unavoidably accepted. Already 2 tons of maize have arrived and about 3,000 tons more under transit. With a view to see that the stocks of m are consumed quickly, maize is being issued against a por of the millet quota according to the following break up:

	Ragi	Maize	Milo or Jola (In Ounces)
'B' Class	2·2	2·0	1·8
Heavy Manual Labour ...	3·0	3·0	2·8
Plantation Labour ...	1·0	1·0	1·0

The public are requested to co-operate with Government help in the disposal of the imported maize to the advantage.

Press Note.

In the interests of public security, orders of detention orders restricting the movements, etc., of certain per considered anti-social have been issued from time to time u the Mysore Public Security Act, 1940. There have b requests for release on parole and for relaxation of restric orders form persons subjects to those orders. It was fo that there was no provision in the Act to comply with s requests. The provisions of the Mysore Prisons Act wh permit temporary releases of prisoners were found inapplic to persons detained under the Public Security Act. Governm considered that in deserving cases orders of release of dete on parole should be made and restrictive orders should also relaxed whenever necessary. Provision was also consid necessary to determine their conditions of detention, such maintenance, discipline, etc.

As the matter was urgent and could not be delayed till ensuing Budget Session of the Mysore Legislature, it considered desirable to pass an Emergency Act for the purp amending the Mysore Public Security Act. The amendme empower the Government to determine the conditions detention of detenus and to make orders for their tempor release, and in the case of persons subject to restrictive orde to suspend such orders for temporary periods. A regular B is also being placed before the Legislature to repeal and repl the Emergency Act.
